

Publications

I have published over 40 articles on accounting analytics, nonprofit organizations, Big Data, communication, and information technology in the premier journals in political science (*British Journal of Political Science*), communication (*Journal of Communication*), public administration (*Public Administration Review*), nonprofit studies (*Nonprofit and Voluntary Sector Quarterly*), accounting (*Accounting, Organizations and Society*), and business ethics (*Journal of Business Ethics*).

Below is a list of my peer-reviewed journal publications. I've included links to publisher versions for each article as well as a link to the pre-print versions available at [SSRN](#) or [ResearchGate](#).
